

Memories of meeting Famous People – Eileen Stanbury

Because I am a Soroptimist, I have met and talked with some famous people. At the San Diego Convention in 2002, Erin Brockavitch was our keynote speaker. I was able to meet with her afterwards and give her a maple lollipop.

At the San Francisco Conference in 2010, Victor Malarek from Fifth Estate was the keynote speaker. I was also able to meet him.

At the SI Convention in Montreal in 2011, I had offered to volunteer and I was fortunate to be able to help out with the speakers. Two of the speakers I met were Dr. Samantha Nutt and Adrienne Clarkson.
