## April Awards Presentation

At our Soroptimist April dinner meeting, we will welcome women who, in 2024 are being awarded Soroptimist's Live Your Dream Award. We will also be awarding deserving Trent and Fleming students with financial resources to support their education.

Soroptimist fundraising helps to support the education journeys of deserving women to provide economic empowerment for themselves and their families.

**Thank you**

to the clubs that participated in 2022-2023!

# Dream It, Be It

DIBI team is busy working on partnerships with various youth organizations in our community to grow our impact. Last summer we delivered our program at a summer program for youth with FASD (fetal alcohol spectrum disorder). We also work monthly with teens at the city's Loft drop-in program.

**Dream It, Be It Teen mentoring program is affectionately known as "DIBI"**

## Fundraising

- Soroptimist members participate in small group fundraisers, known as 10:1's, where we build friendships while supporting Soroptimist.
- A dedicated team volunteers on rotation weekly at Delta Bingo which provides a regular income to support Soroptimist programs.
- Members, friends and those wishing to support Soroptimist also buy gift cards through the club for groceries, gas, gifts which is a painless way to support the Soroptimist mission.

**SOROPTIMIST IS THE GIFT YOU GIVE YOURSELF**  
It is an opportunity to give back, while building relationships with amazing women who are committed to "a hand up" to economic empowerment through education for other women and girls.

Thankful for all those who have joined us during the past 5 years (you know who you are) ...
